

[Instructors Association Registration]

You can automatically register yourself to be a user of [Jun Fan Jeet Kune Do Grappling Association's Instructors Association] by completing, and submitting this form. Only registered users are allowed into instructor's association web site. Choose a username for yourself (such as your last name) and make sure this username contains no spaces. Also create a private password. Together these will be your "key" into instructors web site from now on. This information will be kept in a registration database that is accessible only to the webmaster, not to ordinary users.

One of the main benefits of having a restricted access Web site like Instructors Association is that authorized users don't have to keep typing their names into form fields, such as when submitting an article to a discussion group, because the web server already knows who they are. Similarly, other users can be reasonably sure that you really sent the articles and postings attributed to you, and that someone else didn't pretend to be you when posting.

After you are successfully registered, you will receive a confirmation by e-mail. Upon confirmation, please try to access [Instructors Association Web Site]. The browser will remember this information for as long as it continues to run, so you can access any document in [Instructors Association] without being asked for it again.

User Agreement: I am an active Instructor within the Jun Fan Jeet Kune Do Grappling Association and Agree to meet the terms and conditions of the Jun Fan Jeet Kune Do Grappling Association's Instructorship Program. Please contact the Association for questions, or review the [Frequently Asked Questions](#).

Testing Fee's: Testing at a seminar and/or workshop \$50.00. Private intensive training program is an all inclusive, and the testing fee is included with the program.
